Situational Analysis - Tax Clinic Training 2019 - Presented by Co-President Saakshi Dhingra

TAX CLINIC TRAINING

In preparation for MUAC's upcoming 2019 tax clinic, our club is hosting training sessions on February 5, 9, and March 1st to prepare volunteers on how to properly file a tax return and how to handle certain situations at the clinic. The training meeting this year was split into two; the first part is a tax case preparation tutorial led by Professor Michelle Malin and MUAC Director of Events Dalin Duce while the second part was a situational analysis led by MUAC Co-President Saakshi Dhingra and Professor Ako Ufodike. The MUAC executive team was also present in these sessions to help and guide students if they needed an assistance. Our mission this year is to help students be more prepared in filing tax returns and also in engaging with clients in the clinic.

Thank you to all who came to our tax training.

See you on March 18th to 30th for our annual tax clinic!
