MEET THE FIRM 2019

Meet the Firm is a social event put together by the MacEwan University Accounting Club to provide students with the opportunity to network, connect, and engage with some of the best accounting firms & organizations Edmonton has to offer. Each firm provides an information and a networking session which makes it both educational and social. In addition, CPA has also hosted info sessions to provide students valuable information regarding the CPA Professional Education Program. This opportunity is used to make students known before recruitment season and to learn about the professional environment of the public practice.

This year, our event was held at **Roundhouse – Allard Hall, MacEwan University** on **August 21-22 & 26-29, 2019** where **138** students from different institutions have attended.
